Onita left you unexpectedly and when this happens we always are left with the why's? Well she knew her work here was done and it was time for her to begin a new life without pain and suffering. Your sister has gone to heaven to wait for you till you can join her with the others who are already there. Onita was special to many that she touched, she left many footprints that can only be held in our hearts. Please know that we are thinking of you on this day and that we know Onita is now one of the special ones that will always be near in thought. We love you and your family, The Mork's – Marla & Idalene
