We have many happy memories of time spent with Bill. We went on many trips to Colorado and once to Yellowstone with Bill and Mother. We always had a great time at their house on holidays. I remember the 42 games and all the laughter. We had many discussions about life in general. We will miss him alot. Our thanks to family members who helped him so much in recent years. Love and prayers, Carol stepdaughter

Granddaddy Bill passing away has brought back many memories of Thanksgiving in Dallas and them here in Houston for Christmas. We had some fun times and he will be missed. Thanks to Mickey and Doug for all that they have done for him, and are doing now. You are appreciated. My thoughts and prayers will be with family and friends attending the service and in the coming days.

My favorite memories are summers I spent with Grandad and Grandmother. They were so good to me. Granddad and I would always poke fun at each other. He always took up for me. He loved his dogs and he is happy being back with the love of his life, grandmother. I love you both!
