My heart, prayers and condolences goes out to your family during this very sad time. I mourn with you and your family today. The video pages are indeed a memorial tribute to Walter Sr.,and although I know it would be far better to have him here with you today, as Christians we have that "blessed assurance" that we will all see one another again someday soon. Thank you Father for your Perfect Son Jesus Christ, who died on the cross for all our sins, that we may stand before you blameless, and live forever with you in Heaven above. In your Son's name We pray, Amen You are all in my heart

I remember the day that Walter jumped into the swimming pool to save me and Justin. He jumped in with his clothes boots watch and all. I know you have many wonderful memories that you will remember everyday to keep him close to you until you see him again in heaven. Heaven is getting sweeter all the time. I love you and I am praying for you.

Uncle Dub was a loving man. Who had many family stories to tell with a twinkle in his eyes. He could make you feel like you was there. Like the time Jim (dad) drove up in one of his new cars. Driving around the big tree out in front of Papa & Granny's house (like an indian surrounding a wagon train) with Granny and the preacher sitting out front. We will miss him but we will always have him in our hearts. We love you auntie.

I Want To Know A brief moment of darkness was all that I knew, before Heaven's Gate came into my view. Loved ones and friends I had missed for many years, welcomed me with open arms and many happy tears. All the hurt, fear and pain that I have ever known is gone from my life, I am finally home. I gazed upon the Lord's sweet smiling face, and for the first time in my life I knew and felt his grace I know that you miss me but please dry your eyes I will be watching and loving you from my sweet home in the sky. A cool breeze on your face, a touch of light rain, I will send a reminder that we will be reunited again. Life on earth is but one brief moment in time I am finally home, Eternity is mine.
