Nancy was such a joy to be around always bragging on her kids and grandkids and worrying about her Odell. She had a servants heart and gave of that everything she had to help someone else out. She will be missed greatly. I am sure she has already found Jesus and is worshipping him face to face. Sure makes me home sick.

Words fail us in comprehending the magnitude of this loss to Odell, the Redding Family, friends and her church. Thank God for the assurance of eternal life in that CITY that John described in Revelation chapter 21. Knowing this dear saint, it is safe to state that her greatest desire for her family and friends was simply—"Meet me there." What a day that will be! God Bless All of You.

What a wonderful Christian lady—always thinking about how to bless someone else, generously giving up your Angel Food order for someone else who didn't get something, collecting stocking stuffers for Christmas, school supplies. The list goes on and on. And knowing Nancy, there is a lot more on the list than I know about. I'm so glad that God brought her, Odell and your family into our lives. We are richer because of it.

Ecclesiastes Ch.3:12-13, I know that there is nothing better for men than to be happy and do good while they live. That everyone may eat and drink, and find satisfaction in all his toil; this is the gift of God. Sister Nancy is exactly what this Ch.3:12-13 is about. Our love to you Odell & Family on the passing of this wonderful & sweet lady. She always had a smile on her face and a hello. And now as we rejoice in her new wings Ch. 3:1-8 comes to our minds. Much love to you as God walks with you and gives you strength through out your days.
