Ann, I was so sorry to hear about your Mother I know how hard it is no matter what their age is or how long we have with them. I lost my Mother a year ago last May and wanted you to know that you are in my thoughts and prayers. Every day something reminds me of Mom and I think about calling her. It has gotten better as time goes on, but there is a really special bond with our Mothers, and the loss is really heartbreaking. God bless you and your family as you are going through this trying time. Sincerely, Edna Manziel
