Aaron's words and advice to me helped me get through dark moments through my own journey with ALL. He was a true inspiration and I will forever be changed for having known him, even if only for a short time. Hernandez family and friends, I hope it is healing to know that Aaron affected so many lives through his battle. The battle was not lost for Aaron – I know he feels that he won and will be looking after all of you. God bless.

Dear Hernandez Family, I can't even begin to imagine your grief at losing such a beautiful part of your very being. To say that Aaron played a significant role in so many lives is an understatement; his inner strength and faith are still a shining light of hope for many, and I don't think he even realized it. I am so, so sad for your family, and I pray that God will comfort you and so many others who mourn with you.

Lila and John, We are so thankful for the beautiful son you shaped and molded, in such a short time. It is said, that if a person has one or two real friends in a lifetime, that they are the richly blessed ones. Aaron was that and so much more, in our son, Dustin's life. He showed Dustin the true meaning of love and friendship. We don't think there was a time in these past few years, when they spoke, that they didn't tell each other, they loved one another. Aaron's gift was that of being able to bring out the best, in all of the lives he touched. Our hearts are so heavy with the loss of his physical presence, but we are so thankful and truly blessed that he will be in our hearts forever. We are praying that God will comfort you and your family, as only He can do, with your unimagineable pain and loss. We love you, Dawn and Don Stofle
