Joyce was a "big sister" and caring person for me as I started a career with the Fire Prevention Bureau, and made all of us feel like family. She was a super lady, and will be missed.

Joyce was the steady rock we all relied on to get the bills paid and the payroll out on time. Always with a smile and grace. She was a great lady and friend indeed. What a privilege to have known and worked with her.

As many years as we have been racing there Joyce was, to help, show support and be our true friend. She will be greatly missed and our prayers go out to Lon. There is a sadness that we all share but a joy that will never go away for knowing such a wonderful person and friend.

Joyce was always happiest person I've ever met. Everytime I saw her she had a smile on. The races won't be the same without her smiling face and positive attitude.

Our family loves Joyce McKinstry. She was always thinking of ways to improve someone else's day. She knew how to be a great friend and a dependable team member. She loved people and she loved life. She was always willing and ready, with a smile, to lend a helping hand. She was a great cook and always ready to share a new treat at SCCA Registration. She gave me a copy of one of her favorite cookbooks and it has become my favorite too. Our family is greatly saddened by the loss of Joyce. She will be missed far more than she would have ever imagined.

Lon and Family- I am very sorry that we have lost Joyce. I am truly saddened and there will be a big hole the next time SCCA registration is here. I loved that lady, such a gentle soul. Sorry I can't be there to share your grief. Rusty
