Adventurous. Intrepid. Loving. Funny. Family. These are some of the words that describe Janice and that I will remember and hold dear about her. I always loved to hear her tell stories of her travels. Wonderful times spent with her at family reunions eating lots of good food, piling into one of her signature pink cars for a quick trip, listening to her stories involving the many colorful characters who frequented Mannsville are just a few of my memories of Janice. These memories sustain us while heavens light shines brighter because you are there. Till we meet again.

Bob, Jennifer and I are saddened by your loss. After reading the coments about Janice, I feel much regret that I never had a chance to meet her. I lived in Rockwall for eleven years (1973-1983)before moving to Colorado. Its a wonderful community but has really grown. God Bless Pat

No one could have ever wanted a better, nicer, friendlier, more delightful co-worker than Janice. It was my privilege and pleasure to have worked with her so many years. HER DEVOTED SUPPORT made my and our co-workers jobs so much easier. Her presence was such a joy to be associated with daily. Janice always had a cheerful attitude, no matter what the task was. Her light will surely be missed and will leave a darkened spot wherever she may have exited. GOD BLESS BOB,DALLAS, JOANN and other family members. Our sympathy to ALL.

I could write a best seller about the many, many fun times Janice, Jo and I had growing up in Mannsville, OK. They even provided us shelter while we searched for housing, when we made our move to Dallas in 1963. I will cherish her memory and will always count her and Jo among my best-loved friends. Our hearts are with you all. Gary and Betsy Wilson

Bob, Janice and myself worked together for many years in the North Building for TI. Janice worked in Accounting as the cashier and I worked across the hall in Purchasing. We shared many recipes during that time as we both enjoyed cooking. I transferred to Radar where you worked. I remember when you two married and moved to Germany. Janice will be missed by everyone that knew her. She was such a nice person and a wonderful friend to all. My thoughts and prayers are with you during this most difficult time. I am so sorry for your loss. Gwen Hanni

I will remember Janice for her devotion to family, she always put famil first in whatever she did. She had an ability to write and tell about adventures like no one else. She and Jo were like my big sisters and we had a lot of fun growing up in Mannsville, even them dressing me up like a girl is now a fond memory! This world's loss is heaven's gain and I look forward to seeing her again when we are all in a better place. God's comfort and blessing to the Stephens family and sisters Jo and Frances and their families. We love you.

I will always remember, as a young child, going to visit and having Janice paint my fingernails and playing pick up sticks. And in later years sitting and listening to her and Uncle Cail talk about all their adventures as youngsters. And of course always looking forward to the year end letter telling of all the adventures she and Bob had been on. I will miss you but one day we will be together again.
