It's so hard to lose a loved one...especially "Mama"! I "feel" for you and hurt right along with you. You're in my prayers...asking God to give you a peace during this very difficult time, and wonderful, sweet memories to sustain you. Love, Donna

We want you all to know that our thoughts and prayers are with each of you during these days, weeks and months ahead. You will miss her, but remember that she is in heaven, celebrating and seeing all of her family and friends who went before her. Knowing that you will see her again when you get to heaven, will give you peace. Celebrate her life with all the wonderful memories you had with her. No one can take those precious memories away. We love you,
