Momma you taught me more about how to enjoy life than anyone could ever imagine. Your love for our family and what you did for all of us is truly a miracle. May the Lord embrace in his grace. I will always remember you and how you loved me unconditionally no matter what I did. This type of love also taught me how to love all people unconditionally. I love you Momma.

We will miss our fun visits with Neva & Kenneth together. Neva loved talking about her Kids, Grandchildren and COWBOY's. We loved to go camping with them. We always had a lot of laughs. There is always certain family members that stand out in a family. Neva was one that always stood out as a caring and funloving person. She was always in our corner, and made us feel right at home. She told funny stories about our family history. We will miss her infectious smile dearly. Kenneth, hang in there. You were a strong and wonderful husband. You have some wonderful children who will take care of you. All our love, Ron, Rosa Lee, & Rance

Grandma, one of my fondest memories was spending the weekends at you and Grandpa's house, running around the backyard. I would watch you tend to your strawberry's you love to grow. Also, whenever I bite into any piece of cornbread I always think of you and say "Nobody can make cornbread like my Grandma could!" May you walk with the Lord and be at Peace. You will be missed but never forgotten. I'm sure when times get tough the light from your smile will guide us. I love you Always.
