Your family is very dear to all of us Ward's but especially, me. Bill was my best buddy for many years (and I'd like to renew the friendship). Paula was my substitute big sister since Elaine was either in Italy or Abilene and too far away to pester. Emory was the warmest and friendliest friendliest FOF (father of friend) and FBI man I could imagine. Pauline was a wonderful compliment to my own mother... loving, caring, but keeping her eyes open insuring that all who entered her house were safe, well-fed, and not getting into too much trouble. May God comfort you all. I look forward, as you do, to seeing her again one day. Psalm 116:15 Precious in the sight of the Lord is the death of his saints. David Ward (Ann, April, and Crystal)

We will always remember the fun times in Oklahoma at Grandmommie Loftins house. How funny and joking Aunt Pauline was. Her sense of humor was so much to remember.

Dear Dear, You are a beautiful, incredible person and I am so forever blessed for sharing 21 years of my life with you. Thank you for everything, I am humbled to have had you in my life- you are in my heart and memories forever. I love you and miss you with all of my heart, and I can only hope that one day I will be able to come close to being the wife, mother, grandmother, friend, and Godly example you have been to everyone your life has touched. Love you forever. "Yet I am always with you; you hold me by my right hand. You guide me with your counsel, and afterward you will take me into glory. Whom have I in heaven but you? And earth has nothing I desire besides you. My flesh and my heart may fail, but God is the strength of my heart and my portion forever" Psalm 73:23-26

Pauline Dear, I have lost a dear friend—a life long friend. We had so much fun in Washington, D.C.!!! Working for the FBI was work but lots of fun too! We enjoyed many good times together as room mates for about 5 years (1942) in dear ol' DC. Even though we didn't see each other after Bill & I left, (1956) I still considered you one of the best persons I know. You were kind and considerate to me when I was far from home, & I needed a friend badly. I will miss you, but I hope to see you again!! Love, Helen (Wilhite) Shouse

My wonderful, beautiful, kind, gentle mother how I love you and how I miss you so very much each and every day. I have a lifetime of memories of you that make me smile when I remember. I loved our evening walks together to look at your plants and wonder at the stars. I loved sitting on the porch just talking the night away. I especially loved working on projects together like sewing and our xeric garden that we worked on the last few summers. I promise to continue working on it for both of us. I loved you for the way that you treated Lazaro as your own son and terribly spoiled him with your pecan pies and other goodies made just for him. I hope I have lived, and will continue to live, my life in a manner that has made you proud of me. I know that you are resting in the arms of the angels now and I look forward to the day when I can see you and hug you once again. I love you.

My Dear Mother-In-Law, All who knew you were so lucky to have been a part of your life. Your graciousness, kindness and love meant the world to everyone. Thank you for welcoming Lauren, Kate and me into your family and treating us all as one of your own. Your generosity of spirit was second to none. I will never forget your smile and the twinkle you always had in your eye. I am so grateful to you for raising such an amazing son with whom I now have the privilege of spending the rest of my life. You will always be missed. You leave this world a better place for having been here and we all take comfort knowing that you are now in the care of angels. Peace be with you. Love, Joan
