Chris was such a great guy !- so generous with his success, always inclusive to his family and friends. A beautiful smile, a great laugh- – I admired his positive attitude and his stamina!! I used to refer to him as "Mayor of Henderson Ave." He was in the know, on the go, talented at "the finish-out", able to look at a raw space and imagine the possibilities, thinking ahead, dreaming, planning- Working for Chris was empowering – he was always open for ideas and suggestions; he encouraged participation. A good listener – he was patient and understanding. I have never met a man with so much "can- do attitude"- it was my pleasure to work with him and Lauren, learn about the furniture business, meeting customers all connected by some 6 degrees of Urban Home separation . Lauren, It's comforting to know that your faith will get you through this. Doak and I offer our heartfelt condolences to you and your family. With Much Love, Patty and Doak
