My deepest sympathy to you all. You are in my thoughts and prayers. I have some of the greatest memories of Mr. Hensley and he will surely be missed. I remember when he made a slide for us as we slid down it in a cardboard box ?? He would drive us to A&W Root beer, as well as other places. He would give us advice on building "forts" and playhouses. He helped create "motors" on our bikes with playing cards. he showed us how to make rubber band guns – what a blast! Those are just a few things! He was always helpful, loving and a great friend to all. I have nothing but great memories to share and he will truly be missed! I can't wait to see him again in Heaven and thank him for helping me enjoy my childhood!

I will miss my uncle Willis so much. Memories of him and aunt vi since I was so little. Him taking me to the fair and riding the tilt-a-whirl. I remember my dad told me to be carefull when I shook his hand. He had such a strong grip. As I grew older, I worked on my grip so I would be ready when I saw him again. I can't wait to shake his hand in heaven. L
