Precious ones, I lift your name before GOD above to hold you close in HIS precious arms whispering in your heart that your beloved one is secure, healthy and happy in JESUS presence. Too, that HE will secure you with his presence and have you feel his presence each day and remind you that your sweet baby girl is a creation of loveliness that he wished for you to have but she must needs be fly away to that place where you will join in her happiness one day. Until then my prayer is that GOD holds you tight to him reassuring you every day until you meet her again and join in the happiness that none of us can know till we are there. GOD bless you both AMANDA and Eric. My heart breaks for you but I know god is holding you and suppling all your needs as he tenderly ministers to you. Know that we are praying for you and Eric and that love abounds all around you. God bless and keep you always. Linda and DJ Thompson.
