Shes was my bestfriend in 5th grade. And to this day still has the most amazing impact on my life. I still think about her all the time. I wish I could get a hold of her parents .

There Are No Words There are no words to describe the pain. There are no words to tell of the loss. There are no words. There are no words to say, ?!m sorry.? There are no words of comfort. There are no words. There are no words to stop the tears. There are no words to say, ?Why?? There are no words. There is only emptiness. But inside the heart, there are memories; There are smiles and laughter. There are colors and butterflies. There is a treasure. Deep down inside, she smiles – And there are no words. Diana Miller

Thank you so much. I'm Diana Miller, Holly's mom. You can find me on Facebook, my picture is at the church we attended. I think about her everyday, and it is wonderful to know she is remembered. She spoke of you many times, and loved your friendship. Thank you for taking the time to remember her.
