Lora Chandler lit a candle in honor of Evelyn .

Dear Landy, Carol and all of Juanita's family. I had the honor of knowing this lady as a co-worker and friend for more than 11 years. Her smile and generosity were always present. Juanita made everyone she spoke with feel like the most important person in the world. I owe her so much. When I could no longer keep my beloved Shi Tzus, Lucy and Ethel, she and Landy took them in and gave them the most loving home. She always sent pictures of their adventures with her and Landy and the other dogs. A sweeter woman you will never find. She was more than a co-worker. She was a dear Friend with a generous heart. The world is a different place without her here.
