I love you Dad! I believe you are all the more special to me because God gave you to me as a gift when you married my mother and I know you're the person God wanted to raise me, teach me about love, faith, perseverance, trust, and so much more. I already miss you so much and hope you know how much you are loved and how much I appreciate everything you did for me. I know you're in a much better place and that we'll all be reunited one day again. You may no longer be with us here on earth, but you'll never be gone from my heart and never be forgotten. Love Always, Your daughter, Debi
