To Mrs. Gibson's family, We don't know each other but my mother just recently passed away and was laid to rest at Restland. I noticed Hardeman was part of her family. My mother's maternal name was Hardeman . I just want you to know I am profoundly sorry for your loss. She was beautiful and sounds as if she gave much to the community. I will keep you in my prayers because I know all too well how painful her passing is . Your heart is broken. Blessings to your family. Jan Fulton My mother's name was Nancy Hardeman Fulton. She passed away in April.
