Pat Verver became my mother in law back in 1971. She was a great person and she had a big ❤️ she loved her family . She was always a very classy lady she always looked her best. She always gave good advice and she also taught me how to cook Rice. I thank God as the years pass by us that we had a wonderful sweet relationship in her later years. I loved visiting her on Bingo day, she loved company. She was a happy person always had a big smile. I will miss you dear Pat and will miss you calling me.May your body rest in peace and your spirit I know you are with our Lord Jesus Christ because you were his beloved.
