Aunt Dee was "the baby" of the family. We had some good times with her and Uncle Chuck when they moved to MS. After he passed and she moved to TX we'd try and visit a few times a year. She loved getting visitors. Carl would call her at least once a week. They had a special bond. Was happy that she was able to go on her first cruise with me, Carl and my sister Dee (her namesake). She thoroughly enjoyed being treated like. Queen. Everybody loved her banana it bread. She loved pigs. Had a big heart! Made hats for cancer patients (and for loved ones)! We were so sad we didn't get to visit before her passing because of Covid restrictions. We miss her and remember her always.
