We will greatly miss Dave! He was funny and ornery and a joy to be with. He worked hard and believed in this country and in his family. He was tough! He was a military veteran from the 1990s in Central America. He was also a veteran of the "gang tank" of the TDCJ where they put him to break his spirit. Far from breaking his spirit, he knocked out a gangbanger half his age and established his right to be left alone. He persevered and vindicated not only himself, but those around him. It is unimaginable that Dave is gone. Susan and Kent Roberts

I didn't know David very long but we hit it off right away. I only met him a month before he passed away. We immediately realized that we had a lot in common - including bicycles, business and politics. In the month since we became acquainted, he had been to my house in Lakewood twice - once on a bike. He was always positive and upbeat and friendly. I enjoyed every minute with him and will miss him greatly. I wish I had gotten to know him sooner.
