Jackie Musgrave

NOV 5, 1937 - NOV 28, 2020

On November 28, 2020, Jackie Musgrave went home unexpectedly to the Lord at age 83. She spent her final days with her husband, son, daughter-in-law, granddaughter, and grandson-in-law doing what she loved best, which was playing games, laughing, and enjoying everyone's company. Jackie was born on November 5th 1937 in Dallas, Texas and was a lifetime resident of the Dallas-Fort Worth area. Lifelong companions and soulmates, Jackie and Wayne Musgrave were married for 65 wonderful and precious years. A devout Christian, Jackie was a passionate servant of God, and she shared her testimony with anyone and everyone who she encountered. She was an avid inspirational speaker for Stonecroft Ministries where she touched many lives; she touched lives wherever she went and even wrote a book, *Phone Calls*, to inspire as many people as possible. Jackie was also on the Board of Directors and sang for the Silver Serenaders, and she spent countless hours rehearsing and performing for various groups of individuals who loved music. Jackie was crowned Ms. Mature Irving in 2001 and was a beautiful representative of this incredible honor. She spent limitless hours working hard for Operation Care to create Christmas décor for thousands. Among many other things, Jackie was a designer, and she not only had the privilege of decorating and designing numerous parties, weddings, and celebrations over the years, but she had the very special honor of planning and designing her granddaughter's wedding at her own home in Rhome, Texas in October 2019; this was her passion, and she loved every minute of it. Each day, Jackie lived life to its fullest, despite complications and setbacks. She was strong-willed, energetic, compassionate, always willing to help those in need, and more stubborn than anyone could imagine. She was a warrior, and truly had nine lives. Jackie walked step-by-step with the Lord in life, and now she walks hand-in-hand with the Lord in Heaven, directing, designing, and decorating everything she can. She was a one-of-a-kind lady, known as "Dandy" to her granddaughter, and she

Dear Jackie and Wayne, It is with a sad heart that we write this message. Jackie was "the example" of LIFE as much as anyone we have ever known. She brought life into every situation with such grace and love. She had a way of captivating a room just as she walked in. She walked with Jesus and it always showed. Her selfless life was constantly doing and ministering to others. She seemed to make the best of every day and situation....but constantly taking care of others first. When we think of Jackie, we think of excellence with love entwined around everything she did. Our memories include singing and ministering together, even around the world.....parties, dinners, vacationing and always magnificent projects. We would spend hours singing and just sweet talks though the night hours. We are more like family than friends. We have admired Jackie and Wayne as a couple because of their love and the way they live their lives as a perfect example for all. We are better people for knowing this precious lady and her dear husband. Our memories will last forever. We will see Jackie again and sing on streets of gold. We LOVE you and Wayne dearly...and always will. Forever friends,
Kay and Rick McCrary

Jackie was like a Mom to me. She was always there for me to lift my spirit and encourage me together with her wonderful husband, Wayne who also is like a daddy to me. They are the most hard working couple I have ever met in my life. She was beautiful inside and out and also generous, kind, full of life, very positive in her outlook in life. She was so regal. She adopted me like her very own and my heart is sad but at the same time at peace knowing that I will see her again someday in that great reunion day in heaven because I know I am going there because me too, like Jackie had accepted Jesus as Lord and Saviour! I love you Jackie, I will see you in the morning!

My sincere condolences to the Musgrave family. It was an honor in knowing Jackie, she was so full of life and was a go getter. I've never met anyone like her. I had the privilege in assisting her in decorating for Christmas and other events at Calvary Church. I must say, she was a master decorator. It was a blessing singing in the Calvary Temple/Church with Jackie and Mary, loved every minute of it. I will always cherish those memories of Jackie. God bless Musgrave family.

I didn't know Jackie well personally, but I always enjoyed her music at Calvary Temple. She was a delight on so many occasions, and her testimony inspired us all as she shared about how God protected her during the shooting episode, and had prayer warriors there to pray for her, and watching how God completely healed her arm, and seeing her be able to hold the song book with both hands. It is comforting to know she is with Jesus who she loved so dearly.
