My words will never be enough to express the sorrow I feel for your loss. Kurtis had a beautiful spirit and soul. I will always remember his knowing smiles, his beautiful laughter, and how he would bound over full of enthusiasm and greet me when I entered his classroom. He would then take my hand, lead me back to his seat, and insist that I join him in what every activity he was completing. I am blessed for having had the honor of teaching and knowing him. I am deeply sorry for your loss.

To my sweet Kurtis. Your smile would brighten any room. You happiness would bring us joy. I'm so honored to have been blessed to be your teacher for two years at Williams HS. You were blessed with the most amazing parents a young man could ask for. Your momma was perfectly picked for you. I have never experienced a love like the love your momma had for you. You are her ray of sunshine and she adores you and loves you with her whole heart. I'm so grateful to have the beautiful memories that we shared and I will cherish them for a lifetime. I love you sweet boy. You will always be in my heart. Love- LaShawn Moore

Dear Kurtis, we want to celebrate your young and beautiful life. We want to let you know that you are loved beyond measure. When I met Kurtis for the first time in 2001, he was just turning one year old. He had showed strong interest in music. He was a happy little fellow. He could play with his musical toys and be very content for a long time. We visited him again when he was about 8 years old. He had grown into a handsome young boy. He enjoyed playing with us. He would like us to touch his hands, he would feel it and enjoy the interaction with us. He was a great jumper. He liked to jump and play on his trampoline. He could jump high and jump for quite a long time. I visited him a few more times during his teenage years. He was quite good-looking and gentle. He loved his iPad. He came to Indiana with his mommy and uncle to visit us. When he came to our house, he was drawn to the piano. He was very curious with the sound and enjoyed playing piano very much. Kurtis was very much like his mother, he was kind, happy and loving. We are very sad for the loss of him. Kurtis, you are deeply missed, and you will always have a special place in our hearts.

Ms. Betty, I can't even imagine your sadness at the loss of such a happy boy. I know, young man, but he'll always be Kurt to me. His smile was contagious and he was so mischievous and funny. He loved his iPad and movies and when he was of a mind to be playful, he was so much fun to be with. In class he was always thinking and studying other people and was the first to laugh when something was funny. I'll miss him truly and my heart goes out to you and his Dad. You are all loved.

My deepest condolences to you and your family during your time of bereavement. Kurtis was such a joy to have in class. I remember how excited he would be during his free time jumping on his trampoline and during his lunch breaks. It was an honor teaching and knowing Kurtis as he has always brought a smile to the many people who he came in contact with.
