# **Amy Michelle Staton**

MAY 21, 1974 - MAY 14, 2021

**A**my was born on May 21, 1974 at Plano, Texas and passed away suddenly on May 14, 2021 at Baylor University Medical center in Dallas one week before her 47th birthday. Amy is survived by; husband, Rocky; three children, Andrew, Ashley and Adam; parents, Betty and Max Taylor; brother, Jeffrey Taylor; predeceased brother Steve Taylor, and many church and teacher friends.

She grew up in Richardson and graduated from JJ Pearce High School and attend North Texas State University earning Bachelor and Master degrees for a teaching career. Her career came to fruition primarily at Dallas and Mesquite Independent School Districts. Most of her teaching was at the Junior High School level as Amy loved working with students during that transitional stage of their lives.

Amy and Rocky were married at Spring Valley United Methodist Church on July 15, 2000. Spring Valley Methodist became their church home where their three children, Andrew, Ashley and Adam have grown up. Andrew is 16, Ashley is 14 and Adam is 12. Each of them attended SVUMC Preschool and were baptized, confirmed and served as acolytes at Spring Valley United Methodist Church. Amy enjoyed shopping, cheering for her kids at their sporting events and most of all, spending time with her family.

Funeral services for Amy are scheduled for Monday May 24 at 2:00 pm at Spring Valley United Methodist Church, and interment at Restland Cemetery will follow the service. We all rejoice in the knowledge that Amy is now in the eternal presence of her Lord and Savior Jesus Christ

Amy was my next door neighbor, and we loved sharing teacher stories, good, bad, and funny, whenever we happen to find a minute when we saw each other outside our homes. She was and is a sweet soul that I have missed all summer long and up until I finally was told she passed just a couple days ago. I had an intuition that something happened to her because I have not seen her on a semi-regular basis like in the past, but was afraid to check in case my intuition was correct. Her sweet husband did not want to upset me with the news b/c he understood I was going through some very difficult times in my life with losing my mother recently. The shock and the sadness of my "knowing" something was not right brings me to think Amy was talking to me, letting me know she was no longer here on this earth plane. I miss you Amy, I'm so sorry you had to leave your beautiful family, however, they have the strength to carry on with their loss, and I know you are so proud! You lived a life that is inspiring, and you made many laugh and I am so happy we were neighbors and friends for as long as we had you!! Love you girl!! ❤️
