The sad news of a long time friend passing is almost too much for words to say or express. I met Jean through her daughter in junior high school, later as my father worked with Clyde at Borden's in Abilene. Clyde and Jean were great friends of my parents that grew until the passing of my father. Both outstanding people who made an impact on my life and influenced my direction in life as well. Thank you Jean for that influence and impact on the direction of my life I will forever be grateful. I am better for knowing you, better for loving you, not to mention better for meeting you. I hope you will be blessed in this next journey as I was in this life knowing you. My condolences to the family. David Sadler
