Glenda was a devoted friend to those who knew her. She was kind, caring and generous. She was also devoted to her family. I have wonderful memories of times spent with Glenda and Sherry. I loved how they loved and took care of each other. I am fortunate to have such sweet memories of my dear friend, Glenda.

Sherry, Craig, and Dean our prayers are with each of you and your families during this time. Glenda was a special lady and we will miss her immensely. Take comfort in the fact your mother was caring, loving, and generous not only to her family, but to all those she came in contact with. BINGO won't be the same without her.
