I'm still having a hard time processing that I won't get to talk to Matt again. We didn't talk often, but when we did, it was like we'd never been apart. I can still hear his little giggle and awesome laugh as if he were right here with me now. Many of my fondest memories in life are of him and your family. I always loved hanging out at your house. Your parents may have been 'older' but they never treated us like kids. Matt will be forever 17 in my heart and mind. I hope he's having THE best time hanging out with Dave and your mom and dad. All my love to you. You're such a special family.
