Anytime I saw Glenn, he had a smile on his face. He was outgoing and I do not believe he ever met a stranger. when he and I met, it was like I had known him all my life. For Glenn and I, the day we realized we both had the same birthday date, exactly 10 years apart, we both thought that was unique and special to our friendship. Go rest high on that mountain and thank you for being my friend.

I have known Glen since the late 70's. Danny and I met the Warren family at Newman Park. He and Danny played for the men's softball team for Newman Park. Glen was also one of Danny's umpires for the Mesquite Girls Softball Assoc. When Danny was sick with his cancer Glen would come by and visit with Danny. He was a very caring person, he had asked me after one of his visits how was Danny doing I told him the cancer isn't going away, he had tears in his eyes and said "I'm so sorry Ellen". I am so sorry for y'all's loss. Praying for y'all and especially Troylynn, I know your pain and heart break, I'm praying for God to wrap his Loving and Caring arms around y'all and give all of you comfort and peace. Believe me I know there are no words that can be said to ease your pain. Love all of you. Glen will be greatly missed . He always smiled treasure all the precious memories you have.

Glenn was my cousin, we grew up together. I have so many happy memories of our childhood when our families would get together. The Warren family is a large extended family, every year we would have family reunions at a park in Dallas where the adults would sit & eat & all of us kids would have fun on the playground. His parents would come to our house a lot on Sundays and bring all three boys - Eddie, Glenn & Danny for lunch & a fun afternoon. All of our relatives loved my mother's (Aunt Dick) & Aunt Alph's cooking - Eddie, Glenn & Danny were some of the 1st to line up to fill their plates. Glenn's passing is very sad to me. We were close, but, yet didn't see each other as often as we should. No matter how long we went without seeing each other, we still had that closeness feeling when we finally did get together. The last time we spoke, we was going to get together for lunch with our cousin Tommye Lou & get caught up on everything that had happened since we last saw each other. That never happened. I will always be sad that we wasn't able to get together. Glenn was a sincere, funny, "tell it like it is" type of guy - most importantly - he was a Christian man that loved his family, kids & grandkids so much. He was always sad when all of his family passed before him, now he is back with his parents & brothers that he missed so much and no longer in pain. It is so hard to give up a spouse, I have been there & know every pain his wife & kids are feeling. God wrap your arms around Glenn's family, comfort them, give them strength, trust & faith to face each day as it comes, give them healing & peace. I love you Glenn & I will miss you! Ginger Bailey (Ginny Lynn as Glenn called me)

Rick and I met Glen when I started working with his wife, Troylee. Even though we were around him only a few times, he made us feel as if we'd been friends forever. I can still hear his laugh. He was the type of person that seemed to know and love everybody. No doubt in my mind that God has welcomed him home. I love all of his family and pray that they can feel joy in knowing he is pain free and living in paradise. Rose Roland
