Pamela Scaggs posted:

Our hearts are filled with so much sadness at the sudden passing of this precious lady. But the wonderful memories of Kellie and her time at Barrington Farm are there as well. It takes a remarkable Texan to share the stories about our great state to young and old and to demonstrate how life was whether working in the garden, cooking in the outdoor kitchen, or taking care of the chickens. Despite the heat or the cold, Kellie was eager for each visitor to leave the Farm with a pleasant memory of their time there. Texas has lost a wonderful lady. We grieve her loss with you and pray the Lord Jesus Christ will comfort you all through this sad time. Tom and Pam Scaggs
