I knew of Jeanne because she was national president when I was at TCU, but she became my precious friend at PCPC. We always greeted one another with, "hello sister", as we were both TriDelta sisters and sisters in our Christian faith. I miss her, but am thrilled that she now rests in the arms of our Lord and Savior, Jesus Christ.

Jeanne was a Tri Delta that was beloved by so many. I was blessed to travel with her and Sue Garner to Houston for Convention in the early eighties. Following that trip, I was asked to become an Alumnae District Officer serving for five years for a large area of Texas (21 Alumnae Chapters) due to her suggestion. It was an honor to serve our Fraternity with Jeanne as my mentor through the years and as a dear friend thereafter. Our Fraternity was extremely blessed to have the talents and gifts of one of our most outstanding Presidents. May God Bless and give her Peace. She was amazing. What a joy it was to read toll call at the Founders' Day event for the last few years in Dallas. And, the whole ceremony had to be correctly done. She always called you Precious when your name was not recalled. She loved wearing her pink suit which always brought smiles. Yes how I will miss her.
