Naphis, I don't even know where to start, as every time we talked, we started in English and switched to Spanish; mi gran y querido amigo, te me adelantaste en este viaje, atesoro cada conversación que tuvimos. Donde quiera que estés sé que es un mejor lugar. Intercede ante nuestro padre celestial para que le brinde consuelo a tu amada familia y a nosotros tus amigos, por esta partida tan inesperada. Que el señor ilumine el camino que hoy transitas y que brille para tí la luz perpetua!Tu amiga, Yasue Andrade

i knew Naphis through his work with the Midwest Roofing Contractors Association. Naphis never refused to take on any task he was asked to assume. I knew him as a very honorable person who put his commitment to workplace safety as number one in his professional life. I enjoyed many opportunities to chat with Naphis about safety and his commitment to his profession. I will miss him as a friend and a colleague in the safety arena.

I had the absolute honor of working with Naphis over the past couple of years. You always knew when Naphis entered a room due to the surge of positive energy. I will dearly miss our talks about family, life, and work. He was so proud of his family. I never knew that someone that lit up a room could get any brighter, but just the mere mention of his family would have him smiling from his heart to his face. Please know that even though he was passionate about his work he was even more so about his family. I will always cherish the memories and laughter. Anyone that crossed his path was blessed to have known him. He truly left a mark and legacy in this lifetime and for the future of his beloved family. Que dios te bendiga a ti y a tu familia mi querido amigo.

Naphis always had a smile on his face and was one of the most positive people I have ever met. He saw the good in everyone and everything. His very last words to us were "Eat the cheesecake first, life is too short." He definitely left a positive mark on this world and the people who were fortunate to call him a friend. His light will be missed.
