# Guadalupe Guerrero Perez

JAN 24, 1943 - OCT 20, 2021

**G**uadalupe Perez, 78, was born in a small town in West Texas named Munday, Texas. She was born to Luis Guerrero and Maria Salazar. Guadalupe left a legacy that we can all look up to. Her message was always "be kind to everyone". She left an imprint in the lives of everyone that she encountered. She was always doing for others, expecting nothing in return. She was a selfless, caring, giving and one of the most genuine, sweet spirited person that we will all miss very much. She leaves behind 3 daughters, Vanessa, Priscilla and Mariella along with 11 grandchildren, Miguel, Savannah, Lindsey, Paul, Pablo, Nathan, Natalie, Adrian, Gabriella, Noe and Issac, 3 sisters, Lydia, Connie and Phyllis. Many family members and friends that she cared so much for. She leaves behind a message to everyone "Follow God with all your heart". One thing is for certain, that when it's our time, we will all reunite one day.

Mom, you are missed immensely. I take comfort in knowing that you're in a much better place but there will always be a part of me that is missing and that part is you. Until we meet again, thank you for being the mother that you were and have shown me to become. Your love is still felt every single day. I love you mom.
