Austin's service was beautiful. Twinkle Twinkle Little Star was perfect. I smiled through my tears. Austin has touched my heart. I will remember him always. Juliana and Paul, I can't begin to say how sorry I am for your loss. I am praying for all of you and thinking of you all, with love.

My heartfelt condolences to Austin's family and friends. I had the privilege of walking with Austin while he was doing his horseback riding. He always brightened my day. Chuck Primm

My daughter Hailey was in school at BI with Austin. Although Hailey is non verbal when I said his name on the way to school she would get excited and clap and smile very big! She adored him. If she saw him at drop off she went right up to him to get his attention. I've never seen her this way with another child. We called him her boyfriend. I'm praying for y'all. Please know we are all in shock. Prayers and hugs as you navigate this devastating time. I'm devastated to hear the news.

Austin brought joy to all those who had the pleasure of working with him. He was a bright spot for Stable Strides Farm and all the volunteers that got to work with him. It was never difficult finding the volunteers to stay late for this precious little boy. He brought a smile and joy to all those around him. He will be deeply missed but never forgotten. ❤️

ME

Megan lit a candle in honor of Austin.

Austin was the light of my day for one and a half years of his short life. His smiles, little giggles, big blue eyes, and love for yogurt were my favorite things about him. I will always remember the way he softly sang "Twinkle Twinkle Little Star." He will always be loved by all those who knew him. My thoughts and prayers go out to the Tiptons during this painful time. With Love, Miss Megan
