Nina Earline Warren

JAN 17, 1942 - SEP 28, 2022

On Wednesday, September 28, 2022, Nina Arnold Warren went Home to be with her Lord and Savior Jesus Christ at age eighty, her son and daughter by her side, after a courageous battle with dementia.

Nina was born to Earl and Katherine Arnold on January 17, 1942 in Beaumont, Texas. She married in 1963, completed work on her Secretarial Sciences degree from Lamar University in 1965, and spent the next decades raising her two children, Christina and Steve.

She was known for her sharp wit and sense of humor and had a close-knit group of friends who stayed in touch after she moved from her long-time home of Houston to Dallas to be closer to her children in 1993. She was a staunch animal advocate, spending many years as a Feral Friends volunteer, feeding her neighborhood strays and even adopting cats through the years.

Nina is survived by her brother Earl Arnold, Jr. of Silsbee, her daughter Christina Lemonds of Flower Mound and son Steve Benckenstein of Dallas.

A memorial service will be held on Saturday, November 5th, 2022, at 2 p.m. at Munger Place Church, 5200 Bryan Street, Dallas, TX 75206.

Funeral arrangements for Nina Earline Warren have been faithfully entrusted to Restland Funeral Home and Cemetery, which is located at 13005 Greenville Ave., Dallas, Texas 75243

I met Nina in 1970 when our children were about the same age. I met Steve (4) running down my driveway in his camo outfit shouting "don't forget!" I asked "don't forget what?" and Steve answered "just don't forget". Little did I know he lived across the street from the house we were building and his mother and I would become good friends. Nina and I spent many conversations (after some wine) reliving the past..and trying to figure out what I shouldn't forget. We spent time laughing while drinking coffee in the morning and wine in the afternoons. She loved to revisit the Halloween's we had in Whispering Oaks, the parties we had...just revisiting "the old days". And laugh we did. .and I can still hear her laugh .Tina and Steve, you will never know how much she loved you and Luke and Pax...except, Steve, I don't know if she ever understood our political choices.Sorry for saying so much..there is so much more. I loved my friend and will miss her terribly.

Nina was so special to me. We were great friends for more than 30 years. She had a sharp wit and could easily make me laugh. I loved her laugh. Sometimes she would laugh so hard she would actually snort, and then we'd both laugh even more. She was very honest and never afraid to speak her mind. Her love of animals, especially cats, was a big part of her identity, and she was dedicated to helping feral cats and all God's other creatures. She loved her family and often spoke of how proud she was of Steve, Tina, Luke and Paxton. I really can't find enough words to express my undying love for Nina. She was one of God's greatest gifts to all who knew her. I will never forget her.
