Mom, I miss you so much!! I would give anything to be able to hug you, laugh with you, or even hear you voice just one more time. This family is just not the same without you. You were the glue that held us all together. Until I see you again, just know that I was very blessed to have you as my Mom. You are missed beyond measure!

Vickie and I met at my first day at Plano High School. She was my bestie from that day on. There was a period of working and raising kids that we would loose touch, when times in my life were the hardest, she always seem to find me. She was funny, kind, compassionate and she loved her family more than herself. God Bless you all and fill the void that has been left by her passing. Terry and Staci you did your best to give her comfort in her last days here. May God comfort you and wrap his loving arms around you in the days and months ahead.
