Chuck was always extremely nice to me. I was good friends with his son, Trey. But I went hunting with Chuck. Basically just walking and talking, but I'll always remember that. I was saddened to hear of his passing. You're in blue skies now. My love to the family.

Chuck was a great Person, I recall several Braniff flights, he shared many tips and alot of pilot talk. He came to many of the monthly lunches, I think his favorite was at the Smokehouse in Denton. Chuck, Keep the blue side up! Tom Farlow

My prayers for Terry and Trey Greene. I was blessed to reunite with your parents at the Elm Salon. In talking with both your parents I realized our paths had crossed many time at The Texas Antique Airplane Association. Wonderful parents raised great men. I'm so sorry for your loss. Blessings
