Karen, I was so sorry to hear about the loss of your sweet Mom. She was truly such a kind and special person with a gentle soul. She was such a dear friend to my Mom, Pat Frye Langley for so many years. I always thought of your Mom as family. I recall that your Mom sold me my first home back in the early 80's. I smile and think that perhaps my Mom welcomed Barbara into her new 'forever' home in heaven with a big hug. Then, Mom probably asked her to sit down and play a game of dominos as they did each month for so many years. I know you will miss her dearly and she was so fortunate to have you as her daughter. My God give you strength and peace during this difficult time. Cindy 'Frye' O'Reilly

I would like to thank her daughter Karen for bringing her mother to Sophia's Assistant living allowing us to care for such a beautiful soul. She was such a firecracker! We loved talking with Barbara at meal time, that's when she would talk the most and we enjoyed spending her last days with Ms.Karen. It was a blessing to have her around..
