Tai was a great coworker, and an even better friend. He always took the time to help everyone who needed him, and I will never forget the conversations we had over the most random things over the years. He will be missed.

I worked with Tai for many years. He was a great man. Always humble, always smiling, always ready to listen, and ready to help with our emergencies no matter what time of day. He was trying to help me with a work related issue even from his hospital bed, that's the kind of guy he was. Tai will be missed. My prayers are with the family. I cannot imagine what you are going through.
