Where do I begin on how much I am going to miss this beautiful friend of mine since the 7th grade? After her son died, our group of ND Gals circled Judy with love and fun times. I was blessed to be in a smaller group of friends where we celebrated Judy's BD. She was always interested in where my husband and I had traveled, how much she loved seeing our photos on Facebook (even though she never posted to FB). She was always interested in our grandchildren and what they were doing. Our last time together was with our ND Gals at my home for our Christmas event. Covid interrupted precious time we could have been together, but December of 2022 did not stop us. We had a great time sharing Christmas stories and wearing funny headbands I had bought for each of the gals. I will miss Judy's beautiful smile and her laughter. RIP, my precious friend. You will be missed by your class of 63 North Dallas High School gal friends.

When I would see Judy's name on a crew list it always made me smile. I knew we would work hard but also have a wonderful time exploring the world. Not only was she beautiful she was one of the kindness people you could ever hope to know. Rest in peace my friend. S. S. "Holly" Hollingsworth

Judy was always smiling, always. She loved to bring cinnabons for me to take home to my son when we used to do yoga together. We enjoyed a glass of wine occasionally, and would laugh until we were in tears. I will miss my sweet friend. I am fortunate to have known her.

I've known Judy since I was in my 20s. She was always warm and gracious and the kindest person you would ever hope to meet with a smile that would light up a room. We tried to get together at least once a week for lunch or shopping and to most importantly visit. The last time we saw Judy she was at our home meeting our new puppy. She loved animals and loved all the kisses our new puppy was giving her. When my husband and I had to go to Mexico for cancer treatment, Judy was willing to take care of our older dog for 3 weeks, no hesitation. She loved that dog and never worried or was concerned if the dog made a mistake. She'd just have the carpet cleaners in. She was that good of a person. You don't find many Judys in this world and I feel very fortunate to have had her in my life. I know she is now in heaven with her son and other loved ones.
