Fast cars, loud music and rebellious spirit. That's how we met and if I had been any slower when I jumped back to the sidewalk I would've been a hood ornament on her T-Top Berlinetta. God reclaimed his Angel and I will be forever grateful for the time he granted me with her. The love of my life, my best friend and the very heart of me. I love Shell. I'll count the days until I can be with you again. From Michael, the other half of your M&M's
