## **Joan E. Davis**

JAN 13, 1932 - AUG 1, 2024

**J**oan was born January 1932 in Ft. Worth, Texas to Cammon and Alma Slocum. Shortly thereafter, the family moved to the Dallas area, where Joan spent her childhood years. She attended Crozier Tech High School and became an Executive Secretary for a large oil and gas company in Dallas.

Her life was blessed by her three beautiful daughters, Melissa Parr and husband Michael, Melinda Contaldi, Lyn Shelton and husband Mike. Also four grandchildren; Chris Gaiser and wife Nicole, Taylor Parr and wife Megan, Chase Shelton and wife Dr. Mary Kathryn, Shelby Shelton, and three great-grandchildren.

Joan and Lawson met in May 1962 and were married two years later in September 1964. The family lived in the Dallas area until Lawson's retirement at which point they moved to the piney woods of East Texas, where she designed her dream house at Holly Lake Ranch in 1995. Joan was active in their Church, made many lifelong friends, and was a part of the "Monday Night Gang", where several couples met for food, fellowship, and cards.

Joan was a devoted Mom and a loving Wife who brought joy to everyone around her. She was loved by many and will be deeply missed by all. There's no doubt we will see her again at Heaven's gate.

Lawson and Joan, two of the best neighbors I have ever had. Sitting on your porch and visiting was a treat, with you & I solving world problems and Joan embellishing the most recent accomplishments of her grandkids. She was always so full of sunshine and ready to make your day pleasant. I know that you will miss her every day, but I also know that the God of all comfort can give you peace of mind and call to your mind so many wonderful memories that the two of you have shared.
