**R**alph K Parker, 93, of Dallas, Texas, passed away on August 20, 2025. He was born on July 7, 1932, in Dallas, Texas, to Simmie J Parker and Fay Luciel Rodgers Parker.

David, Eric, Amy and your families, I am so very sorry I was unable to attend your dad's service today. I so wanted to be there. I met you all when I first came to Central in 1978. I loved being a part of the sponsors for the Youth Group back then. So many memories. So many activities. And of course, the trip to Canada in July of 1979 - what a great trip. Your mom and dad were just wonderful during that trip, and of course I got to know both of them so very well during those three weeks. I was so very proud to have your mom make my wedding cake and groom's cake (she even was able to use my mother's wedding cake topper for my cake), my bride's bouquet and all the wedding flowers, the food and punch, and of course, she made my wedding veil too (I couldn't find what I wanted, so she made the perfect one!) They were both very dear to me and I loved them both. My love and prayers go out to you all. May our Lord hold you all in His loving arms and give you comfort and peace. Love, Sharon Anderson Johnson

Too many memories to share. I meet Dad, as I liked to call him, almost 32 years ago. He welcomed me with an open heart and open arms since day one. He has helped Amy and I through some hard times when I lost my job and needed to pay my tuition for a college course in order to graduate. He has shown me how to fish, fix stuff around the house, and has been a solid rock for our family. He has loved Amy unconditionally and I will never forget all he has done for us over the years. Dad was the best role model for me to be a husband for Amy. His love for his family will continue forever and I will miss him dearly.

The Parkers are lifelong friends that we consider family! This picture was taken in 2023 two months before my Dad passed away. Mr. Parker, my Dad, and other neighbors enjoying each other's company! Our street exemplified loving your neighbor and I'm so thankful it! We will miss you, Mr. Parker, but we are thankful that you are reunited with Mrs. Parker. Love, Heather O'Brien Ashby
