Sheela Gamadia

SEP 23, 1947 - OCT 13, 2025

P salm 23:1-3

“The Lord is my shepherd; I shall not want. He makes me lie down in green pastures. He leads me beside still waters. He restores my soul.”

Satyasheela “Sheela” Rathod Gamadia, passed away peacefully on October 13, 2025, after a difficult battle with Parkinson’s disease.

A devoted wife, mother, grandmother, sister and friend, Sheela lived a life of faith and service. She was born in Jabalpur, India, to parents Rajji and Yerusha Rathod, and was the second of five children. After graduating from St. Xavier’s College in 1968, she traveled to the United States to further her education after receiving a full scholarship to attend Texas Women’s University (TWU). She arrived in the States with a small suitcase and just \$25 in her wallet. Her first stateside shopping trip was to purchase makeup, a reflection of her lifelong love of style. In 1971, Sheela earned a Master of Science in chemistry, with honors, from TWU.

Sheela married her childhood family friend, Noel, in 1973. They shared 53 years of marriage together, welcoming two children, Amee and Mark. In addition to raising a family, Sheela worked for LabCorp at Medical City Dallas Hospital for more than 30 years. Always active, she spent many of her lunch breaks walking around the hospital to get in her daily steps. Her Christian faith was central to her life, and she was very involved in her church community, regularly attending Sunday School and participating in women’s Bible studies.

Sheela was an amazing cook and hostess who spent countless hours in the kitchen. She could prepare Indian food like no other, and everyone who entered her home never left hungry. Sheela loved fashion and one of her favorite pastimes was to scour the racks at Ross to discover the best finds. She enjoyed daily walks around her neighborhood as well as gardening, and loved flowers and all things peacock. Over the years, Sheela accumulated quite the peacock-themed collection spanning from home décor to clothing, scarves and jewelry. She eventually told her family, “No more peacocks!”

🌹 In Loving Memory of My Sister 🌹 Even though you are with the Lord, free from pain and suffering, I miss you deeply. I still look for you in your beautiful home, and it just doesn't seem right that you're not here. You were my friend, my confidant, my sister. I miss our long talks, the laughter we shared, and even the tears we shed together. Life feels different without you — there's an empty space in my heart that will never be filled. Your love, faith, and kindness continue to inspire me every day. Until we meet again, dear sister, you will always live in my heart Ella Rathod

Dear Noel kaka, Ameer, Dan, Mason, Keeran, and Emeree, Mark, Seulgi and Sweet Aiden Sheela kaka was someone who I looked up to. She was a lady of discipline and very keen on cleanliness. I remember our afternoon snack times together and walks around the neighborhood. It was my privilege to bond with her during the last two years of her life. I will miss her terribly but I find solace in knowing that she is free from pain and suffering; most importantly she is with our Lord and Savior Jesus Christ. The Lord surround you with His warmth and comfort and may His peace be upon you as you go through this difficult time. -Neerav, Sweety, Nisha, Anish
