Mrs. Gerri you were always such a sweet and beautiful lady. Thank you for always being so nice and caring. I will miss our phone calls, but I know that now you are with your "Babe" in Heaven reunited again. God has truly gained another Angel. I will always remember you. Love, Carolyn West

Aunt Gerri, I will miss you. Over the past ten years I have had the privilege of sharing many family times with you and have grown to know you as not just my Aunt, but as an adult friend. I will miss our Tuesday's together and your joy for so many simple things. Strawberry shakes and lunch automatically come to mind, as well as time spent with your nursing crew of many years. You loved gambling and would jump at the chance to go to a casino. Marcia has shared a couple of those casino shenanigans and I hope to share these at your service. ❤️ Until we meet again, Rachel
