“ Vicky, Randy, Joy, Riley, Cary and family,  
Each of you are in our thoughts and prayers in the loss of your dear Mother-Mom, Meme, and Nana. God so blessed us with her longevity, great fun-filled personality, Christian love and guidance, excellent talents and abilities, and her uplifting encouragement and prayers. She was such a positive light in all our lives. We will forever remember her with a smile and a tear...we will miss you but know God's plan is complete and your faith rewarded. We look forward to seeing you again Meme.

With our heartfelt sympathy and love,  
The Henson Family

“ Meme and family,  
Our love, respect, sincere thoughts, and prayers are with you today and always.. You invested so much time, effort, and love in the daily care of our new infant daughter, Holly through 2nd grade (1988-1995). You instilled so many wonderful, guiding, Christian values with the warmth of a loving grandmother and doting parent. You provided a level of care so much more advanced than we ever expected or even deserved. You and Warren became Holly's third set of grand parents and her "Meme & Dundun." Your investment of time, love, and patient-kindness remain immeasurable and influential even today. Your laughter and dry sense of humor remains a part of Holly's personality today. Your...tricks and stunts added so much fun to our lives.

Although, you provided this level of wonderful care you became an integral part of our family and shared so much of your history and life with us. Not to mention, the many wonderful ways you went 'above and beyond' to ease two working parent's lives with the added acts of kindness and love you gave us. We returned home to clothes washed and folded, beds changed and fresh, house cleaned, evening meals cooked and ready with added surprises of delicious tea cakes, cookies, cakes, pies and desserts.

Holly had the added joy of going to Meme and Dundun's to play, for discovery and adventure, put pennies on the railroad and wait in anticipation for the daily train to pass. Those were special times.

So many loving, cherished memories that remain with us all the days of our lives. We could never thank you enough or repay the love shown us and our family throughout the years from 1964 forward when we first met.

God blessed us. We love, appreciate, and will forever cherish each day shared and experienced with you. You were first mom's best friend then became our's.

We LOVE you Meme. God's rewards are forever yours.

Gill, Louise, and Holly Henson
