“ Our thoughts and prayers are with the Lewis Family. Lou was such a special person to myself and our family, we had so many fun outings at the lakes, full of laughter and great memories. Family vacations to Arkansas and Oklahoma, Lou always made everyone smile and enjoy themselves. Tim, I owe my love for water skiing to your mom and dad, for their efforts and help in teaching me how fun it could be. She will be deeply missed, but never forgotten.

“ I wanted to let you know how deeply Lou will be missed. I have many fond memories of Lou (and of SJ). I have known Lou since I was a kid. She was so kind and thoughtful to me. And always went out of her way to do whatever needed to be done. She was there for us when we lost Steve. That is something I will never forget. I will always think of her and hold her memory deep in my heart. I am so sorry for your loss. She is at peace now. With my deepest sympathy, Donna
