“ Our deepest sympathies on the loss of your father, from neighbors, Charlie and Sofia Benavides and all the girls. Your father was always so friendly and willing to lend a helping hand. I always remember him talking with my dad and mom, just visiting and chatting. He will be missed on the block! Our heartfelt prayers of comfort go out to you. Gods peace and love to your family during this time. God Bless you all.

“ Fairwinds and following seas as you continue on your journey. You always took the time stop to say hello, even if just pulling into the driveway. What a sense of humor, and that laugh! Art, I'll miss our talks and friendship. I wish we had had more time to visit and laugh.
