“ Uncle Arturo was an extraordinary man of God. We are grateful for his daily walk with Our Lord and Savior. My fondest memory was listening to him pray in Spanish. I followed each word and felt the presence of the Lord. Fondly

“ We rejoice that Bro. Arturo is in the presence of his Lord. But we grieve the temporary separation the family is experiencing. No matter how many wonderful years the Lord blesses us with on earth we always yearn for more. May God Grant you peace and rest.
