“ *A loss that will forever leave a space in our hearts and lives. Brannon, your spirit is unmatched. Many of us are still in shock and I can't imagine it will go away. A world without you is less interesting, less loving, less musical, less fun. I watch your Youtube videos and see you wearing the cross pendant my brother made you, in all of them, it warms my heart. Please tell him hello for me. We will always have the parking garage on Hall & McKinney :) haha. Love you, xo MnM*

“ *He was a brother from another mother and cousin by blood. I love him dearly. Jesus used him to get to me and it changed my life forever. I will be forever grateful and I will carry the message on. I'll see you're the flip side. RIP*
