The family would like to express our deepest appreciation and love to the many people who supported us through this very difficult time.

God saw you getting tired and a cure was not meant to be, so he put His arms around you and whispered, "Come to me." With tearful eyes we watched you as you slowly slipped away, and though er loved you dearly we couldn't make you stay. Your golden heart

stopped beating. Your tired hands put to rest. God broke our hearts to prove to us He only takes the best.

“ She was a tell it like it is, no nonsense, put your big girl panties on kind of Nana to not only her biological children but to those she took in and treated as if they were her own. My own children were beneficiaries of her love and they are better for it. She is ever in our hearts. Verne, Leanne, Brent, Lauren, Chris, Emily, Sarah, Glenn

and Ellen. Thank you for sharing her with us. Love to all.
